

Christopher Yung

Archbishop Riordan High School, Sophomore

(415) 683-9504

christopheryung10@gmail.com

SKILLS

My skills include coding, graphic design, and computer hardware. I can code in Swift, Apple's own language and am currently learning how to code a website on Codecademy.com. I am also interested in graphic design; I won the school-wide T-Shirt design contest during my Freshman year and designed the R-Cade club's first logo. I've also built my own computer. In my Fabrication Lab class I have created objects such as chess pieces, a lamp, and an arcade cabinet using our makerspace. In my robotics class, I have created a working robot that can drive around.

EXPERIENCE

Crusader Outreach Club, Archbishop Riordan High School - *Founder*

APRIL 2017 - PRESENT

- Our goal is to help foster a sense of service to the community by helping other students find service opportunities that interact directly with the people they are helping.

National Honors Society (NHS), Archbishop Riordan High School - *Member*

NOVEMBER 2016 - PRESENT

- NHS serves to recognize those students who have demonstrated excellence in the areas of scholarship, service, leadership, and character.
- NHS members tutor students who need help in various subjects.
- NHS members attend various field trips to visit colleges.

Knights of Riordan, Archbishop Riordan High School - *Member*

OCTOBER 2016 - PRESENT

- Also known as student ambassadors, the Knights of Riordan show prospective students around the school and help out at Riordan events.

R-Cade Club, Archbishop Riordan High School - *Speaker of the Club*

SEPTEMBER 2015 - SEPTEMBER 2016 (MEMBER) | SEPTEMBER 2016 - PRESENT (SPEAKER OF THE CLUB)

- R-Cade club is a club where students can play video games and relax with friends after school.
- Role of Speaker of the Club: take attendance, make announcements, and fulfill any duties should President or Vice President not be able to perform their role

Oxford University of England Summer School, Hong Kong - *Student*

JULY 2016 - JULY 2016

- This is a program organized in conjunction with Diocesan Boys' School in Hong Kong, held at Chinese University.
- Classes taken: Biochemistry, Music, Materials Science, and Physics

iPad Repair Club, Archbishop Riordan High School - *Member*

SEPTEMBER 2015 - MAY 2016

- The purpose of iPad Repair was to learn how to repair Apple devices.

Camptoons, San Francisco - *Day Camp Counselor*

JUNE 2015 - JULY 2015 | JUNE 2016 - JULY 2016

- Camptoons is a six-week summer day camp held at Sunset Church for rising 1st to 8th graders.
- During my first year as a counselor, I taught rising fifth graders and during my second year I taught rising second graders

Hanson's Robotics, Hong Kong - *Intern*

JUNE 2015 - JUNE 2015

- At Hanson's Robotics, I helped build their prototype human-like robot that was designed to deal cards at a casino by fitting pieces into hard to reach places on the robot and attaching motors into the head for its facial expressions.

EDUCATION

Archbishop Riordan High School, San Francisco

AUGUST 2015 - PRESENT

I am currently a sophomore at Archbishop Riordan, an Archdiocesan Catholic High School in the Marianist tradition that prepares young men from the San Francisco Bay Area and around the world for leadership and lifelong success. I am a St. Francis Scholar, which is an invitation-only scholarship with a focus on leadership, academic development, and college and career prep

AWARDS

The President's Award

This award was given to me in both my Freshman and Sophomore years; Freshman year for having a cumulative GPA of 4.0 and Sophomore year for having a cumulative GPA of 3.9.

The Archbishop Riordan Freshman Marianist Award

I received this award for completing the most service hours (over 230 hours) in my Freshman class.
